ABOUT CHÂTEAU DE LA CHAIZE

Château de La Chaize is a crown jewel of Beaujolais and classified as a French national heritage site due to its magnificent garden designed by André Le Nôtre, renowned landscape architect to King Louis XIV of France. All wines are made exclusively from estate vineyards and are proudly certified organic, starting with the 2022 Brouilly wines and Fleurie from 2023.

THE WINE

Crafted from a selection of vineyard parcels located in the heart of the Fleurie appellation, it perfectly captures the essence of its granitic terroir, renowned for imparting exceptional elegance and floral complexity.

"An elegant and fragrant Fleurie that has the light-footed character and floral delicacy we associate with this appellation. The wine's structure is very discreet, completely beneath the surface on the front palate, then slowly emerging in the long, precise finish."
