## **THESE CHRISTMAS-THEMED BARS IN NYC** **WILL GET YOU IN THE HOLIDAY SPIRIT**

**Because there's no such thing as too much holiday cheer.**

After you bear the cold to see all the festive decorations the city offers during the winter season, head to one of these Christmas bars to continue the holiday cheer. You'll be able to warm up by the fire and drink holiday-themed cocktails while you watch the snow fall outside.

### The Lodge at Bryant Park

**Location:** Bryant Park, Manhattan

Head to the Bank of America Winter Village in Bryant Park and stop by the luxury Champagne Bollinger Bar. You'll be able to sip on their signature Cuvée while watching the skaters zoom by on the rink.
